

REUSABLE CLEANSING PADS

Special fibers that do not get tangled with extensions

Remove makeup and clean the pores with only water

Machine or hand-washed

Extensions does not get tangled

No makeup remover needed

Can be used repeatedly

How To Use

- 1 Soak the pad with water

Wet the pad with lukewarm water and lightly wring it. Water makes it easier to clean the pores and remove the makeup.

- 2 Wipe off the makeup

You can remove makeup by gently wiping it, without applying force or rubbing.

- 3 Wash the pad after use

After each use, hand-wash with soap or wash it on the gentle cycle in a laundry net.
